Respectfully submitted,

HARRY E. POOR, Auditor.

REPORT OF SCHOOL COMMITTEE.

In making our annual report of the schools, we feel that we can safely say that they have been quite up to the average of former years, and in some respects a few steps in advance.

Our school fund this year has been larger, and we have paid a somewhat higher salary than before.

We have endeavored to hire good teachers, but have encountered some difficulties in this most important part of the work. In some cases we have been unable to find such as we would like, and have been forced to hire as we could. We have had some good teachers on our force, while some have been considerably short of what they should have been.

We note quite an improvement in attendance this year, which is very gratifying, and there is yet room for improvement in this respect.

If the parents fully realized the inconvenience to the teacher and the disadvantage, not only to the one staying out but to the whole class, they would exert themselves to keep their children in school every day.

A new feature was tried in one of our schools this last term which was quite successful as a beginning, and, if properly carried out, would be of great value in determining the progress of our pupils. A series of ten questions, in each study taken, was given the scholars, and they were required to write the answers on papers, which were corrected and handed the visiting committee for examination. This gave a better idea of the quality of the work done than could have been obtained in the usual way. A regular system of marking daily lessons, and a written examination at least twice a term, would do much toward raising the standard of excellence.

ROLL OF PERFECT ATTENDANCE.

FIRST TERM---Mary Beecher, Mabel Beecher, Murray Plant, Lee L. Smith, Irma A. Heath, Menta A. Smart, Ethel M. Eaton, Arthur H. Gilbert, Harrison Heath, Ida Noyes, Edward Gilbert, Waldo H. Dexter, Lester O. Ingerson, Max I. Moulton, Jessie F. Merrill, Beatrice B. Eastman.

SECOND TERM---Murray Plant, Ethel M. Eaton, Lester O. Ingerson.

THIRD TERM---Mary Beecher, Mabel Beecher, Leslie Merrill, Russell Carleton, Elwyn Carleton, Carroll B. Gray, Albert W. Lynde, Walter P. Lynde, Waldo Dexter, Grace I. Clark, Max I. Moulton, Beatrice B. Eastman, Irma A. Heath, Katherine A. Campbell, Harrison M. Heath, Helen Burbank, Lettie Eaton, Ottobell Worthen, Hazel Worthen, Harold Austin, Lawrence Tewksbury, Lester O.
